What's yellow and pointy and came to Earth from the Sun? He's friendly, has a pet eel named Slim and is friends with a tuxedo-wearing pterodactyl. He's Gustafer Yellowgold!

**Gustafer Yellowgold** concerts are a unique blend of live music and moving image...acclaimed by the New York Times as "a cross between 'Yellow Submarine' and Dr. Seuss." Entertainment Weekly praised "...The most infectious original songs. It's like tapping into some pleasure center in the brain—both adult and kid...absurdly appealing. Grade:A."
